## Daily Market Report

### WORLD'S MARKETS

Sharp and general decline induced largely by heavy professional selling caused substantial reductions soon after the opening. Pressure was most marked in the prominent issues. United States Steel losing 1 5/8, with 4 for Bethlehem Steel new stock, 2 to 3 1/2 in shipping and 1 to 2 1/2 in metals, oils, motors and the more speculative specialties. Recession in rails ranged from a point to 2 1/2 in St. Paul, the Pacific, Reading, Norfolk & Western, Chesapeake & Ohio, and New Haven. Buying orders checked the set-back in the dull second hour, rallied in some instances, wiping out much of the early loss.

Bonds were irregular.

#### Sugar.

NEW YORK, March 26.—Raw sugar firm; centrifugal, 5.65c; molasses, 4.77c; refined, firm; cut loaf, 8.15c; crushed, 8.00c; mould "A" and cubes, 7.50c; "XXXX" powdered, 7.15c; powdered, 7.10c; fine granulated, 7.00c to 7.50c; diamond "A" 7.00c; confectioners "A" 6.90c; No. 1, 6.85c.

Sugar futures opened firm and active on buying from outside and trade interests, prompted by the firmness of the spot market. At noon prices were 6 to 10 points net higher.

### Chicago Quotations

CHICAGO, March 26.—Jumps to record-breaking prices in the wheat market today accompanied the receipt of domestic crop reports that were the worst by far this season. Free buying carried July and September to the highest levels yet for those months. Word that in addition to discouraging prospects for winter wheat in the United States, a famine was threatened in Argentina counted also as a bullish factor. Opening prices, which ranged from 1 1/2 to 3 3/8 higher, with May at \$1.91 1/2 to \$1.93 and July at \$1.64 1/2 to \$1.66, were followed by moderate further gains and then something of a reaction.

New top record quotations were scored as well as in wheat. On the advance, however, bull leaders showed a notable disposition to realize profits. After opening 1 1/2 off to 1 1/2 up, the market made a decided advance all around.

Oats hardened with other grain. The upturn, though, were not of a radical sort.

Provisions remained easy in line with the hog market. On the other hand, advances of cereal prices kept offerings light.

Chicago Egg Market.  
CHICAGO, March 26.—Butter, firm; creamery, 33 1/2c.  
Eggs, higher; receipts, 8,816 cases; firsts, 27 3/4@28c; ordinary firsts, 26 3/4@27 1/2c; at mark, cases included, 25@26c.

## MAX SHEAR FIGHTING EXTRADITION IN CALIFORNIA

Deputy Sheriff William H. Lowder, who is at Los Angeles supervising the legal fight, by direction of Sheriff Herbert C. Peterson, for the extradition of Max Shear, wanted here on a charge of passing a forged check for \$250, still is waiting in the Angel City for the decision of Governor William D. Stephens.

Shear's friends rallied to his support and every legal effort is being made to prevent his extradition. The alleged fugitive's resistance is inexplicable to local authorities, who say that since the amount of the alleged forged check was so small and he claims his innocence, he should be more than willing to return and clear his reputation.

The efforts in behalf of Shear are said to be expensive. Deputy Sheriff Lowder telegraphed he still was confident of bringing back his prisoner.

## W. H. KING WILL BE ONE OF SPEAKERS AT MASS MEETING IN TABERNACLE, TUESDAY EVENING

Tomorrow night at 8 o'clock a patriotic mass meeting will be held in the Ogden Tabernacle. There will be appropriate music and oratory.

Dr. Amasa S. Condon, poet laureate of Utah, was asked today to dictate a suitable verse embodying the sentiments of the occasion. He replied:

"What can be more appropriate than the famous lines of one of the great masters, familiar to every schoolboy, as follows:

"Breathes there a man with soul so dead,

Who never to himself hath said,

"This is my own, my native land?

If such there be, go, mark him well!

For him no minstrel raptures swell.

High though his titles, proud his name,

Boundless his wealth as wish can claim,

Doubly dying, shall go down to the vile earth from whence sprung.

Unwept, unhonored, and unsung."

The doctor gave the exact quotation of which the above is the main part.

Distinguished Speakers.

Senator Joseph C. Chey assured the committee on arrangements today that he would be pleased to attend and serve in every practicable way to make the meeting a success.

United States Senator William H. King accepted an invitation by telephone and promised to deliver a speech.

Charles R. Mabey of Bountiful, noted orator on preparedness, has accepted an invitation to speak.

Judge Charles C. Richards, District Judge Alfred W. Agnew, Arthur E. Pratt, Apostle David O. McKay, the Rev. John Edward Carver, Rev. Frank C. Brainerd, Rev. Christian A. Garver, M. M. Clothier, Judge John D. Murphy, Brigham H. Roberts, Captain Edmund T. Hulaniski and others are on the list of speakers and each is expected to deliver a brief talk on patriotic preparedness of every kind and the mobilization of military and all other resources to meet the national need.

Announcement Error.

In the first announcement of speakers Saturday The Standard's report contained a typographical error, due to misreading of copy referring to Judge Charles C. Richards as a member of a family which had won distinction in the Confederate "navy." The line should have read "Confederate war," meaning the war between the states in the '60s. This also was somewhat incorrect. Judge Richards' great-grandfather was one of Washington's soldiers in the Revolution. His grandfather fought in the war of 1812 and other members of the family served in the Mexican war.

Patriotic Music.

Arrangements were made today for the musical part of the program tomorrow night. Some of the singers who served so well in the recent pres-

## GREAT AUDIENCE AT ENTERTAINMENT BY TABERNACLE ON SUNDAY

The power of Christ's gospel to touch the heart of men, even though engaged in war, was made apparent yesterday afternoon at the Tabernacle by Elder Hyrum Valentine of Brigham City, the congregation being moved to an extent unparalleled at any previous gathering of the kind held in the city, in the recollection of the present generation. Hundreds of eyes were wet with tears and hundreds of hands were raised in response to the speaker, recently returned from the Church of Jesus Christ of Latter-Day Saints, over which he was president; for five years, told the tragedy of men converted to Christ's teachings of peace and love being forced by war's stern call into a conflict with their fellow men.

During the dramatic recital, Elder Valentine's voice was broken by the emotion that swayed his auditors, while his mission companion, Mrs. Valentine, and other Swiss-German missionaries seated on the pulpit platform wiped tears from their eyes as they recalled the incidents which he pictured and the loved people concerned therein. The address of the former mission president followed a talk by Sister Valentine which held the intense interest of the congregation for nearly an hour, and to these sermons was added one of music by the Ogden Tabernacle choir and soloists, under the direction of Professor Joseph Ballantyne.

Larger Tabernacle Needed.

In connection with this sacred service, the need of a large tabernacle for the members of the Church of Jesus Christ of Latter-Day Saints in Weber county was again made strongly manifest. Scores of people were unable to gain admission to the house of worship, many stood in the doorways and those seated were crowded to a point of discomfort. Despite this condition, however, those who gained entrance to the Tabernacle remained through the two-hour service lifted out of their own thoughts of trouble or pleasure by the soulful spell of the music, the interesting story of Mrs. Valentine and Elder Valentine's fervent appeal for a return of love and peace to the hearts of men.

The meeting was in charge of Elder Thomas Francis Williams, a returned Swiss-German missionary and a member of the Tabernacle service committee, and in introducing Elder and Sister Valentine, said the opportunity was one he had long and pleasantly anticipated, as he had learned to love them while in the mission field. Both speakers expressed appreciation for the music furnished by the Tabernacle choir and said it was an inspiration to them.

Soulful Music.

The musical program of the afternoon was as follows:

Duet and chorus, "The Questioning

of the Magi" (from "The Coming of the King," Buck)—William S. Wright, Mildred Ware and the Tabernacle choir.

Duet and chorus (a), "To the Judge ment Seat," (b) "The Trial" (from "The Story of the Cross," Buck)—William S. Wright, Douglas Brian and choir.

Double mixed quartet and chorus (a), "The Darkness," (b) "The Earthquake" (from "Story of the Cross")—Myrtle B. Higley, Barbara Swinger, Anna Williamson, Mildred Ware, Douglas Brian, Ed Ballantyne, Robert Binnie and Gerard Klomp.

The invocation was offered by Elder Harold Parkinson of Salt Lake City and the benediction was pronounced by Principal James L. Barker of the Weber academy, both returned Swiss-German missionaries.

Tonight will be a red-letter night for the members of the Ogden Trades and Labor assembly and specially favored friends, a fine program of entertainment having been arranged for them by a committee appointed several weeks ago. The entertainment will follow the regular meeting, which has been set for 7:30 o'clock. Important business matters only will be discussed and passed upon at the meeting and the lighter diversion will be started with the following program:

Vocal selection, male quartet—Joseph Bernius, William J. Kow, Tom Van Drummelen and Dan Davis.

Address, "The Organization"—President H. W. Beckett.

Piano solo—Miss Hattie Smith.

Reading—Miss Milanda Barney.

Vocal solo—Miss Anna May Hunter.

Address, "The Benefits of the Union Label"—Secretary William Piggott.

Sidewalk conversation—Tom Van Drummelen and W. Dalving.

Vocal selection—Male quartet.

A dance and banquet will be staged when the program is concluded.

GREEN RIVER FIRE

ROCK SPRINGS, Wyo., March 26.—A loss estimated at \$100,000 was caused by the fire which swept the main business block of Green River, fifteen miles west of here, last night, according to estimates made today. A defective furnace in the basement of a mercantile company caused the fire.
